2023 Showcase & See Here Schedule

Culture Ireland creates and supports opportunities for Irish artists and companies from across the island of Ireland to present their work to global audiences.

Grant Programme

Culture Ireland's Regular Grant Programme offers support for travel related costs for Irish professional artists presenting their work internationally. Applications are accepted from the Irish artists/arts organisation or the international host festival or venue. All events being supported by Culture Ireland must be open to a public audience and artists must be remunerated for their work. Touring activity rather than one-off events are prioritised.

Showcase Programme

Culture Ireland's Showcase Programme creates and develops international opportunities through selected market oriented events which attract international presenters. Calls for applications for Culture Ireland support to participate are made well in advance of the showcase events through the Culture Ireland website and are based on artists having confirmation of an official showcase opportunity from the event organisers.

See Here Programme

Through the See Here Programme, Culture Ireland supports incoming programmers and festival directors to visit Ireland to see the work of Irish artists. The support is focussed around the festivals in Ireland to ensure there is a concentrated programme of Irish work to be experienced and artists and companies available to meet. Applications to Culture Ireland are coordinated through the host Festival/event.

Application calls for Showcase and Delegate schemes throughout the year are promoted through our website and social media platforms.
